Module 2

PART 2: Create a cover for your book

18 horizontal lines for writing.

What is your title?

What is your subtitle?

What feeling do you want to stir in your prospective reader?

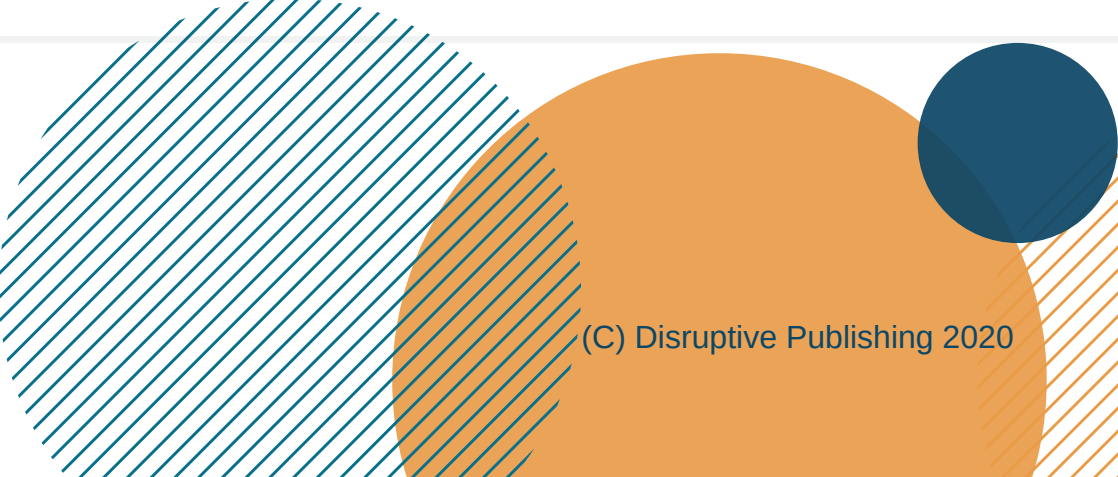

Keeping in mind your ideal reader, what visuals/pictures/colours
would evoke/represent that feeling?

What are your brand colours?

Do you need to take photos, find photos or get some taken?

Create your cover

- Open a free account with www.canva.com
- Click on Create a Design button at top left
- From the drop down box choose book cover
- From the templates choose a book cover that has the look and feel you want
- Save it as the title of your book
- Customise it by changing the text in the title, subtitle and authors name to your book title, subtitle and name
- Customise it by changing the background colour or photo to a background colour or photo that reflects your vision
- When you are happy with it, save it
- Download it as a png file to your computer
